

Segue, Inc.

ACT Advocate- Hillsdale (Full-Time)

The Community Advocate works in a professional clinical team environment to provide intensive outpatient mental health and substance abuse treatment and recovery services; treating the whole person with a multitude of needs. Duties include case management services, medication delivery, intensive monitoring, and emergency/crisis management services to ACT members.

Case Manager- Jackson (Full-Time)

The Case Manager offers services that will assist adults who have a mental health or co-occurring substance abuse diagnosis to gain access to needed entitlements or services. Core elements of case management include assessment, planning and development of a person-centered plan, monitoring, linking, and coordinating services, community and natural supports. Significant independent judgment is used in carrying out the duties of this position.

Qualifications for Advocate or Case Manager:

- Qualification as a QMHP with a minimum of a Bachelor's degree in Psychology, Social Work, or Human Service degree, and licensure in the State of Michigan
- Specialized training or experience working with a person who has a mental health diagnosis, or co-occurring diagnosis.
- Able to type 35 wpm
- Experience working with electronic medical records

Medication Delivery Technicians- Jackson & Hillsdale (Part-Time)

Responsible for the in-home delivery of medications, and offering education and skill building to help persons who have a mental health diagnosis to learn about their medications.

Qualifications

- High school diploma or GED equivalent
- Must be available to work 6:30 a.m.-12:00 p.m. & 6-10 p.m.
- Experience working with adults with a mental illness or co-occurring disorder
- Experience with medication distribution preferred
